

The Cooee Australia Show

All the ingredients you need for a successful event packaged into one show, that's what you get when you have the COOEE AUSTRALIA SHOW in your venue! This fun show brings together all the ingredients of a top Australiana presentation, including Traditional Aboriginal Dancers, Sheep-shearing, song & music from our colonial past & lots of audience participation.

Aubrey & Martin

Arguably the most versatile entertainers in Australia today, this multi-MO winning duo have established a top reputation throughout the entertainment world, with their totally entertaining cabaret show, and bring to the Cooee Australia Show the experience

gained from such top Theatre Restaurant shows as Medieval Madness & High Mountain Hoedown, plus The Jolly Swagman show at Sydney's Argyle Tavern where they starred for 3 years and which led to their representing Australia as the featured entertainment during San Francisco's Australia Week celebrations in the U.S.

The Beggs Bros Band

Using traditional bush instruments as well as Mandolin & Harmonica, Banjo, Trumpet, Guitar, Bass & Drums, the Beggs Bros Band will keep any audience from 9 to 90 thoroughly entertained with music that covers all the colourful times of Australia's history woven through with contemporary and original songs.

Bullamamari

This group of talented young dancers from central New South Wales are one of the finest Traditional dance troupes in Australia. Proud of their heritage, they use all the instruments and weapons of their people in a highly colourful demonstration of dancing and play-acting, with the audience encouraged to join in.

Terry O'Shears

Acclaimed as one of Australia's gun shearers this working professional will have the audience cheering him on as he takes the Beggs Bros Band on in a musical sheep-shearing contest and afterwards explains some of the finer points of his profession. Terry will also make himself available to answer any questions.
