

“Love that Country Music”

WAYNE HORSBURGH - Australia's International Country Entertainer & DONNA BOYD – Australia's darling of Country Music, have joined forces this year to create a country show that will appeal to the young and old

Wayne first toured the USA in 1984 and has performed there for part of every year since then. His fan base in Wisconsin, Illinois, Tennessee and the USA midwest continues to grow and since 1997 he has been based in Branson, Missouri, returning to Australia every December through to March. Wayne's highlights have been outstanding; he has won four "MO" Awards and two "A.C.E." awards in Australia for 'Male Country Performer' and been nominated for 'Australian Showbusiness Ambassador Of The Year'. He performs regularly at Silver Dollar City in Branson, but in 2005 he also toured the UK once again, with a return visit now scheduled in 2006, due to popular demand.

Donna is no stranger to the stage, travelling overseas to headline in London, New York, Orlando, Miami and Las Vegas. A spell in Nashville, Tennessee brought her back to her true passion, Country Music. Since returning home to Sydney, Donna became the winner of the 2003 T.I.A.R.A. award as "Best Female Independent Vocalist" followed closely by the coveted "Frank Ifield International Spur Award" which led to chart success in the UK and Europe and most recently, an A.C.E. Award nomination for "Best Country Female Artist".

In 2004 Donna and her band were a great success in the U.K. at many venues and outdoor festivals with huge crowds. Her latest album release 'I've Got My Standards Vol 1' has brought rave reviews such as "...many other artists have done these songs...but with Donna, they have never been so alive, vibrant and... sexy...!"
